

Dear [Person's Name],

[Scout's Name] and I would like to thank you for your kind donation to the Silver Paddle. So far we have managed to raise \$350.00 for Boy Scouts of America - Simon Kenton Council. This would not have been possible without your generosity.

For almost 100 years, scouting programs have instilled in youth values that are as relevant today and they were then. The program helps youth develop academic skills, self-confidence, ethics, leadership and citizenship skills that influence peers at present and throughout their adult lives. Adults who volunteer to promote the scouting mission of preparing young people to make ethical and moral choices benefit equally. Your donation will be sent directly to Boy Scouts of America - Simon Kenton Council by firstgiving.com, which provides this online fundraising service. All the while, it helps Benjamin and me develop a stronger and more purposeful relationship.

You may work for a company that matches your gifts to charitable organizations. If so, you might want to contact your human resources department to inquire as to the process you should follow to have your contribution matched. Matching forms can be sent to:

Simon Kenton Council, Boy Scouts of America
1901 E. Dublin Granville Road
Columbus, OH 43229
Please mark the event as the 3rd Annual Silver Paddle Canoe Race

Thank you and best wishes,

[Participant's Name]

P.S. You may have friends who want to support our mission but do not know us. If so, could you direct them to our fundraising page? The URL is [www.firstgiving.com/\[Participant's name\]](http://www.firstgiving.com/[Participant's name])
